CORPORATE MEMBERSHIP APPLICATION

CORPORATE MEMBERSHIP

CORPORATE MEMBERSHIP IS FOR
BUSINESSES PROVIDING FIRE PROTECTION
SERVICES AND / OR EQUIPMENT AND
SYSTEMS TO THE AUSTRALIAN MARKET.

There are three levels of Corporate Membership based on employee numbers. These are, Gold, Silver and Bronze.

Corporate Members are bound by the provisions outlined in the FPA Australia Code of Practice and by the Memorandum and Articles of Association.

ALL CORPORATE MEMBERS RECEIVE:

CONNECT: Online Resource Centre

The mobile-friendly online member resource centre combines membership information and benefits in one central location. Via CONNECT members can update personal and membership information, manage communication preferences, register for events, access Technical and Workplace Relation documents, Fire Australia magazines and much more.

Conferences, Seminars & Workshops

Discounts on event entry and exhibition fees.

Workplace Relations Resources

Featuring a range of relevant workplace information including legislative changes, economic data, wage trends and other general workplace relations advice.

Workplace Relations Plus

This service is an extension to the Workplace Relations benefit. Subscribers will receive access to FPA Australia enterprise agreements and other employment related documents such as workplace policies and procedures, certificates of services and deeds of release plus unlimited phone support.

Newsletters & Electronic Updates

The full suite of targeted communications including regular newsletters, FireSignals newsletter and all important industry announcements, press releases and updates.

Logo Use

License to use FPA Australia Corporate Membership logos relevant to the level of membership.

Personalised Logbooks

Corporate Members can choose to personalise any A4 size FPA Australia 2012 version logbooks with their business logo and contact details.

Corporate Insurance Benefits

Insurance discounts and enhanced policy benefits relating to public and product liability and professional indemnity policies provided by Alan Wilson Insurance Brokers. Additional discounts applied to business package, motor vehicle insurance and more.

Customised FPA Australia Contract Documents

Option to purchase the official FPA Australia contract document. Members can purchase the contractual document suite for the inspection and testing of fire protection systems.

Eligibility for State & Territory, Special Interest and Working Groups

Eligible for State & Territory Membership Groups, Special Interest Groups and Working groups in accordance with the rules for the operation of these Groups.

Certificate & Membership Tag

A certificate and membership tag relevant to the level of membership.

Voting & Nomination Rights

Voting and nomination rights at FPA Australia Board of Directors annual elections. Members have the opportunity to significantly influence the leadership of FPA Australia by voting on the six elected board positions (two per year) and have the opportunity to nominate other members for consideration for these positions.

Qantas Club Discounts

Option for significant savings on Qantas Club membership by joining FPA Australia's Qantas Club Corporate Scheme. Further information at www.qantas.com.au (see *Qantas Club – Membership Types*).

Volkswagen

Eligibility for significant savings under the corporate fleet discount program. Please note: Actual discount will vary depending on the vehicle chosen and is negotiated directly with the dealership.

Advertising

Discounted advertising in the FPA Australia monthly e-newsletter, FireSignals.

For more information, contact Membership Services on 1300 731 922 or visit www.fpa.com.au

ADDITIONAL CORPORATE MEMBERSHIP BENEFITS

CORPORATE GOLD

15+ Employees
\$2,815 per annum

CORPORATE SILVER

5 to 14 employees
\$1,675 per annum

CORPORATE BRONZE

1 to 4 employees
\$710 per annum

The total number of employees your company/legal entity has will determine which level of Corporate Membership you're entitled to. **You must choose at least the membership level corresponding to your total employee numbers.**

Logbooks & Forms

FPA Australia offer a suite of highly detailed logbooks & summary records, in accordance with AS 1851 & AS 2293

TERMS & CONDITIONS

Memorandum and Articles of Association/Constitution

The Fire Protection Association Australia (FPA Australia) is a company limited by guarantee pursuant to the Corporations Act 2001 and operates under a Memorandum and Articles of Association/Constitution approved by the Australian Securities and Investment Commission (ASIC). A copy of the Memorandum and Articles of Association/Constitution, which sets out the objectives of the Association and the corporate governance rules, can be viewed online at www.fpaa.com.au/membership.

Membership Application & Approval All applicants must submit application forms correctly completed, signed and accompanied by full payment of the appropriate fee in order to be considered for membership. The FPA Australia Board of Directors (the Board) has the sole discretion to approve or reject any membership application to the Association.

Termination & Suspension Membership will be suspended if fees are not paid by the due date and will be terminated after 30 days of the due date. Any member who breaches any of the following documents:

- Memorandum and Articles of Association/Constitution
- Code of Practice
- Code of Professional Conduct
- Terms & Conditions of membership

Or is guilty of any misconduct or any other action deemed inappropriate may have their membership immediately suspended or terminated by the Board of Directors. If a membership is terminated or suspended the member must immediately cease representing that they are in any way affiliated or connected with FPA Australia. Membership fees are for a period of 12 months and are non-refundable.

Code of Practice Corporate members who sign the Code of Practice Declaration are bound by the provisions of the code. See Code of Practice Overview or view the full version online at www.fpaa.com.au/membership.

Use of FPA Australia Logos The FPA Australia logo ('logo') is a registered trademark. See Terms & Conditions for use of FPA Australia Trademark logos at www.fpaa.com.au/membership.

Privacy Policy FPA Australia respects the privacy and personal information of its members. Personal and business information is collected by the Association for the primary purpose of providing services to members and maintaining the membership register. FPA Australia aims to manage and protect personal information in accordance with national privacy guidelines recommended pursuant to the Privacy Act 1988 (Cth) or the most current version of this act, and the Australian Privacy Principles. The Association's Privacy Statement can be viewed online at www.fpaa.com.au/about/privacy-policy.

Code of Practice Overview The Fire Protection Association Australia Code of Practice (the Code) prescribes the principles, standards of behaviour and service delivery requirements and applies to all Fire Protection Association Australia (FPA Australia) Signatories to the Code (Signatories). Signatories to the code are Corporate members of FPA Australia, who have signed the declaration, or whose authorised officer has signed the declaration, that states they will be bound by the Code.

Signatories will:

- comply with all the provisions, terms and conditions included in this Code of Practice
- comply with their obligations as stated in the FPA Australia – Memorandum and Articles of Association (constitution), and the Membership Application Terms and Conditions, (Refer to *Appendix A: Terms and Conditions*)
- ensure they, their employees or any third party engaged by them are educated in the provisions of this Code
- be responsible for ensuring work undertaken by themselves, their employees or any third party engaged by them are compliant with this Code.

Objectives Compliance with this Code will ensure Signatories operate responsibly and ethically and support FPA Australia's commitment to serve the community, for the best possible outcomes for the protection of life, property and the environment. To this end Signatories will promote:

- high standards of service delivery through compliance with the full spirit of and intent of all relevant legislation, codes and standards that pertain to the fire protection industry
- goodwill, positive outcomes and responsible corporate and social behaviour, through the observance of statutory requirements and contractual agreements in all dealings with clients, competitors and the community
- environmental responsibility and sustainable use of resources that consider the needs of future generations, including the responsible management of ozone depleting substances and synthetic greenhouse gases
- employment and development of competent, skilled and experienced persons who hold the appropriate qualifications, licences and accreditation where required.

To view or download a copy of the Code of Practice, visit www.fpaa.com.au/membership
