PLATINUM MEMBERSHIP FLYER

PLATINUM MEMBERSHIP

A PLATINUM MEMBER IS A COMPANY OR ORGANISATION THAT WISHES TO TAKE A HIGHLY ACTIVE ROLE IN THE FIRE PROTECTION INDUSTRY AND THE ACTIVITIES OF THE ASSOCIATION.

Platinum is the highest level of membership available within the Association. Platinum members are approved on application by the Board of Directors.

CORPORATE PLATINUM

A Corporate Platinum member is a company or entity that directly provides commercial products or services in the area of fire protection or safety. A Corporate Platinum member is bound by the Association's Code of Practice and will be listed for the products or services they provide under the provider section of the Association's website.

ORGANISATION PLATINUM

An Organisation Platinum member is a company or entity that does not provide fire protection products or services, but has an interest in the fire protection industry. An Organisation Platinum member can also be an end user, institutional body, sponsor, federal or local government or any other organisation that does not wish to be listed on the Association's website under the provider section.

An Organisation Platinum member is bound by the FPA Australia Code of Ethics.
